

I am contacting you from Eastwest European Institute (Rome, Italy), an independent institute specialized in geopolitical analysis, and the organization of training projects focused on international affairs, European Union, and global dynamics.

I would like to introduce to you our flagship programs:

- [Study Mission Brussels](#), 30 May – 2 June, 2023. During the program, students will meet **representatives of such institutions as the European Commission, Council of the EU, European Committee of the Regions, European External Action Service**, diplomats, and journalists.
- [Model EU Brussels](#), 5-7 giugno – **simulation** of the functioning of the EU Parliament and/or Council of the EU **held at the European Committee of the Regions in Brussels**. Participants will take over the roles of the members of the Parliament or the Ministers of the Council for three days. [Gallery](#)
- [Model UN New York](#), 24-26 luglio – **simulation of the functioning of the United Nations in New York**. In parallel, the best 100 participants will be able to take part at the **Company Board Meeting** simulation at the Headquarters of such companies as **UniCredit, Pepsi, IMB** in New York. We hope you will be able to share these courses with the students of the Yıldız Technical University.

In case of interest, we can explore a possibility of a discount or a scholarship for the most brilliant students.

Should you need more information we are available for a video call.

We are looking forward to hearing from you.

Kind regards,

**Yulia Ulgina**
