The world-famous Heidelberg is only a stone's throw away.<br><br>Mannheim has roundabout 310,000 inhabitants. Mannheim scores with many metropolitan qualities and has a diverse cultural offering, but has retained a bit of small-town charm. The chaos and anonymity of the big city are alien to her.<br><br>Mannheim is home to people from around 170 different nations. | Welcome Days and Culture program | We organize excursions within our Welcome Days and Culture Program so that students can mingle and get to know Mannheim and the region – before the semester starts and during. |
| Buddy program | Exchange students can apply for a buddy. These experienced students can help incomings get settled and support them in mastering bureaucratic tasks. The buddy group also organizes various events and outings. |
| Accomodation | Students can apply for a room in one of the student residences operated by Studierendenwerk Mannheim (approx. 300-450 €/month) – we contact all exchange students with the details. Please note that in the winter semester usually demand exceeds supply. We can provide information on how to look for alternative accommodation on the private market. See all about housing. |
| Finances | Students should expect costs of living of min. 795,- €/month (see details here). Exchange students from partner universities do not pay tuition fee. They only pay a reduced semester contribution. Exchange students might be eligible to apply for a Baden-Württemberg STIPENDIUM or STIBET scholarship (more details on scholarship opportunities here). |
